Dear Photographers,

I have the honor to welcome you from the catalogue for an international Exhibition of Art Photography - 6th NICOSIA PHOTO AWARDS 2026 organized by Nicosia Photographic Society (NPS), Cyprus.

The competition takes its name from the capital of Cyprus. Nicosia, also known as Lefkosia, is the last divided capital in the world. It is a historical city with walled old town and gorgeous landmarks, but brutally split in two with a border zone, a wall that symbolizes the crisis that still today keeps the two sides of Cyprus apart. One half of the capital belongs to the Greek Cypriots, another to the Turkish Cypriots. The medieval old city of Nicosia is circled by the Old City Walls. It has seen the rise and fall of several civilizations, and has footprints from the Lusignan, Venetian, Ottoman and British periods. The Old Town is full of historical treasures, most of them well preserved. It has a glorious face of a city from the Middle Ages but it also has the face of the war; the Green Line divides also the walled old town in two parts, and the border zone itself is a confusing sad sight. It is a line of abandoned buildings, that can be partly on one side, partly another, with bullet holes in the walls. It is a line with barricades, barbed wires, guards and surveillance systems. It surely makes Nicosia a unique capital.

Nicosia Photographic Society (NPS), Cyprus is very happy to organize the exhibition 6th NICOSIA PHOTO AWARDS 2026

The entry of this salon was open to photographers all over the world. It was organized under the approved rules of PSA, GPU, IIG, and the Nicosia Photographic Society NPS.

The catalogue of award-winning photographs in three salons four categories is a good memory of our salon for all photographers which was held in Cyprus in 2026.

On behalf of Nicosia Photographic Society (NPS), I would like to express our gratitude to all participants, to our judges and we look forward to seeing your wonderful images in our future salons.

Thank you for your support.

Good Light!
